Cape Peninsula University of Technology

Currently studying

ND : Electrical Engineering

3rd year

Intshukumo High School

2016

Electrical Technology

Grade 12

Skills

Sales

Problem solving

Creativity

Time management

Communication skills

Projects

Leadership Programme

When I was doing grade11 and grade12 in High school, I was part of a programme called Leader's Quest in 2015 to 2016 that was giving us extra lessons in some of the subjects but mostly concentrated in building our self esteem on how to be a leader in our surroundings. I graduated in 2016 then I became part of the Alumni group till now where we continued where we left off with the programme.

Educo Africa's Wilderness Men's Programme

I attended a 5 day men's camp on Gende Based Violence. Where we learnt about community building, environmental awareness, personal development, leadership and decision making. Then I graduated few days later.

Achievements & Awards

I graduated with Life Choices organization the same year I finished my matric.

I was in the top ten list of learners who passed with a Bachelor's pass in High school.

Admitted to study Electrical Engineering at Cape Peninsula University of Technology after completing my Matric.

I started my own business with few of my friends.

I graduated with Educo Africa's Wilderness Men's Programme after completing a five day camp.
